Subject: RE: Updated Trackers for the Asbestos FOIAs

Bill – thanks for the clarification because “004677” has been assigned to RAD (me).

I do have one question (and I am adding my management and NPCD)....will there be a single point of contact from OGC/FOIA office?

Subject: Updated Trackers for the Asbestos FOIAs

Howdy All,

I jumped the gun earlier today. We still have only (ha!) eight asbestos FOIAs. (Let me know that this is correct)

Anybody I'm missing in the distribution of these eMails?

Why I miscounted:

EPA-2020-004677 was a duplicate of EPA-2020-004674.

I also added 6 additional items (in orange) to EPA-2020-004677.

Gino believed some of these should be taken care of by NPCD (Office of Pollution Chemicals Division), but they said no.

Steve has started a spreadsheet to facilitate Outlook/Relativity searches. Thanks Steve!
